

Mariposa's Art,

a program of the Cultural Council of Santa Cruz County

Art Teach & Guitar Teach Programs

Mission Statement:

Mariposa's Art provides after school art and music programs and community workshops that focus on developing leadership and social skills, and promoting academic success and career development through the arts.

High school students engage in an intensive teacher training and then travel to elementary and middle schools to teach art and guitar, and act as positive roles models for the elementary school students.

Want to be paid to learn how to be a teacher?
